IN THE OFFICE OF THE STATE ENGINEER OF THE STATE OF NEVADA

IN THE MATTER OF APPLICATION NUMBER 54032,
FILED BY Las Vegas Valley Water District,
ON October 17, 1989, TO APPROPRIATE THE
WATERS OF Underground

PROTEST

Comes now Karl Volk and Lorraine Carmosino
(Printed or typed name of protestant)
whose post office address is SR 89034, Box 5, Caliente, NV 89008
(Street No. or P.O. Box, City, State and Zip Code)
whose occupation is Disc Jockey and Bartendar, Planning Commission Member, and protests the granting
of Application Number 54032, filed on October 17, 1989
by Las Vegas Valley Water District to appropriate the
(Printed or typed name of applicant)
waters of Underground situated in Lincoln
(Underground or name of stream, lake, spring or other source)
County, State of Nevada, for the following reasons and on the following grounds, to wit:

The appropriation of this water in the 202 Basin will exceed the annual recharge and safe yield of the basin. There is no evidence to show that the land will not be raped and purged. Reports from areas which paralell our problem should be studied carefully. The key is conservation and land use planning now. There are already several endangered species in Lincoln County, what will become of them and man if these filings are granted?

THEREFORE the protestant requests that the application be Denied
(Denied, issued subject to prior rights, etc., as the case may be)
and that an order be entered for such relief as the State Engineer deems just and proper.
