Street No. or P.O. Box, City, State and Zip Code
whose occupation is State Employee / Private Citizen of State/Nevada, and protests the granting
of Application Number #55296 filed on 18 September 1990, 19
by City of Mesquite
Printed or typed name of applicant
to appropriate the
waters of Underground Source situated in Lincoln
Underground or name of stream, lake, spring or other source
County, State of Nevada, for the following reasons and on the following grounds, to wit:

I am opposed to issue of water rights to the City of Mesquite because of environmenatal damage that will occur within current Primitive Area boundaries (state Park) and within the requested Recreation and Public Purpose application on file on behalf of the Division of State Parks with the BLM during the construction & utilization phase of the water-system from the source. The environmenatl carrying capacity of the park is very fragile and removal of water from the source will have an adverse impact in the region on wildlife and vegetation. The water-system will also create a major visual impact in the park and within it's view-shed. The park is the only State Primitive area within the Division of State Parks. I also do not feel that the proposed pipeline is environmentally or economically feasible.

THEREFORE the protestant requests that the application be Denied
(Denied, issued subject to prior rights, etc., as the case may be)
and that an order be entered for such relief as the State Engineer deems just and proper.
