APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the

following limitations and conditions: This permit to change the manner and place of use of a portion of the waters of the Truckee River as heretofore granted under Claim 50-A, Truckee River Final Decree is issued subject to the terms and conditions imposed in said decree and with the understanding that no other rights on the source will be affected by the change proposed herein.

The water under this Permit and Permit Numbers 33881, 33883, 33884 and 33885 is to supplement ground water appropriations under Permit Numbers 33886, 33887 and 33888. Surface water rights from the Truckee River and Roberts Creek under this permit and Permit Numbers 33881, 33883, 33884 and 33885, in the amount of 315-acre-feet per year must remain appurtenant to the Belli Ranch subdivision as described in the place of use on the permits and may not be moved to other uses or areas. The use of water under these permits is limited to service for 243 residences and irrigation of 10 acres of open space. Individual water meters shall be placed in the service line to each residence served.

This permit is further subject to the terms and conditions set forth in the State Engineer's oral ruling of March 16, 1978.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.36 cubic feet per second, but not to exceed 212.4 acre-feet annually.

- Actual construction work shall begin on or before October 17, 1978
- Proof of commencement of work shall be filed before November 17, 1978
- Work must be prosecuted with reasonable diligence and be completed on or before October 17, 1979
- Proof of completion of work shall be filed before November 17, 1979
- Application of water to beneficial use shall be made on or before October 17, 1982
- Proof of the application of water to beneficial use shall be filed on or before November 17, 1982
- Map in support of proof of beneficial use shall be filed on or before November 17, 1982
