of Application Number 70048, filed on May 22, 2003,

by Francisco & Castellon Curiel to appropriate the
Printed or typed name of applicant

waters of State of Nevada situated in Nye
Underground or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

In bankruptcy court Mr. Curiel swore under oath that he did not have multiple dwellings on his property and that they are just storage trailers. You have issued two letters of non compliance for him not having a quasi-municiple permit. Mr. Curiel has now applied for a permit from your office for use in these trailers. I am filing this protest as I do not feel anyone who lies about the status of the trailers to one federal agency then turns around and applies to another agency (supplying them with different facts on property he may lose) should be issued a water usage permit. (see attached)

THEREFORE the protestant requests that the application be Denied
(Denied, issued subject to prior rights, etc., as the case may be)

and that an order be entered for such relief as the State Engineer deems just and proper.

Application #70048 protest

The property that Mr Curiel resides on is subject to foreclosure by the owner under bankruptcy proceedings.

There are residents who are truthfully trying to bring their water into compliance and these are the ones whose permits should be considered.

Respectfully Yours

Shelly Kadumas
