PROTEST

STATE ENGINEER'S OFFICE

Comes now Russell D Hightfield
Printed or typed name of protestant
whose post office address is P.O Box 491 Indian Springs Nev 89149
Street No. or P.O. Box, City, State and Zip Code
whose occupation is rancher, and protests the granting
of Application Number 71173, filed on 6th of May, 04
by Southern Nevada Water Authority of Nev.
Printed or typed name of applicant
to appropriate the
waters of to be drawn from an underground situated in See attachment
Underground or name of stream, lake, spring or other source
County, State of Nevada, for the following reasons and on the following grounds, to wit:

Trevious studies show 1000 Acre feet in basin 161. Irrigation well have been denied for years in this basin. Now SNWA is filing several applications for 6.0 cfs. from basin 161, the water is to be used for municapal purpose but not in basin 161. I feel this will adversely effect the historic spring of Indian Springs and it will do irrepairable damage to the spring and town. People deprieved of irrigation wells have been cheated, especially if you allow this water to go out of basin 161

THEREFORE the protestant requests that the application be DENIED
(Denied, issued subject to prior rights, etc., as the case may be)

and that an order be entered for such relief as the State Engineer deems just and proper.
