I, E.P. Osgood, being first duly sworn, depose and say that this map, consisting of 1 sheet has been correctly drawn to the designated scale from field notes of a survey made by me on the 7th day of December, 1971. That truly and correctly represents the location and extent of the works used to divert water from underground sources by well in Humboldt County, Nevada by Chester R. and Laura N. Cassinelli for irrigation use.

That the proposed Point of Diversion, the approximate location and size of the diversion channel or other conduit, the place and manner of use, and the location and names of other works or streams which are crossed by or connected with the said works are fully and correctly designated thereon.
