Waters of: Kobeh Valley

Comes now **Peter Damele and/or Tom Damele** whose post office address is **P.O. 104 Eureka, NV 89316** whose occupation is **ranching and** protests the granting of **Application Number 73548 filed on December 5 2005 by Idaho General Mining to appropriate the waters of Kobeh Valley situated in Eureka County, State of Nevada,** for the following reasons and on the following grounds, to wit:

This application requests an excessive amount of water and doesn't have a clearly defined time frame for pumping. Excessive ground water pumping has the potential to reduce surface water flows and dry up springs. This would have obvious and severe impacts on this basin and cause current agricultural businesses to fail. We are fourth generation ranchers in the area that rely heavily on these resources.
