STATE ENGINEER'S OFFICE

Comes now Louis Scatena
Printed or typed name of protestant

whose post office address is 1275 Hwy 208 Yerington, NV 89447
Street No. or PO Box, City, State and ZIP Code

whose occupation is Ranching / Farming and protests the granting

of Application Number 83478T, filed on 1-27-, 2014

by West Fork Ranches, LLC for the

waters of UNDERGROUND WATER situated in LYON
an underground source or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

My static water level was 67' when my 1961 well was drilled. Now it is 100' static level. I had to drill a new well in 2012 to pump the same water we were pumping in the 60's & 70's. When Peri's were pumping water north of Robert Capurro ranch for onions, the Capurro well dropped about 3/4 CFS in one summer. These onions are using 7' AC FT/AC +/-, meters in the past on Peri farms have been altered or tampered with. These are facts if farmers need to be present to prove this.

THEREFORE the Protestant requests that the application be DENIED
Denied, issued subject to prior rights, etc., as the case may be

and that an order be entered for such relief as the State Engineer deems just and proper.
