Comes now Jean M. Williams
Printed or typed name of protestant

whose post office address is P. O. Box 156 Orovada, NV 89425
Street No. or PO Box, City, State and ZIP Code

whose occupation is Farmer/ Rancher/ Warehouse Clerk and protests the granting

of Application Number 85263, filed on June25, 20 15

by Rodney St. Clair for the

waters of an underground source situated in Humboldt County
an underground source or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

I believe in order to preserve agriculture and economic diversity in Humboldt County that I must protest any out of basin transfer that affects said County. If this application is approved this will be the first such transfer out of this county.
Existing agricultural investments by farm and ranch families as well as supporting business infrastructure may be in jeopardy as well as future economic development and population growth in Humboldt County. The environmental impact of the area in question may create more subsidence of ground in a very delicate area of the state. Conservation measures must be practiced before any out of basin transfer be considered; i.e., xeriscape, recycled sewer water, and water features. I also believe that this question should be left to the voters of the county to be affected so they have a definite say in the future of their county. People who do not live in the county do not have a stake in its existence.

THEREFORE the Protestant requests that the application be Denied
Denied, issued subject to prior rights, etc., as the case may be

and that an order be entered for such relief as the State Engineer deems just and proper.
