OFFICE OF THE STATE ENGINEER
OF THE STATE OF NEVADA

IN THE MATTER OF APPLICATION FOR A WELL DRILLER'S LICENSE FILED BY MATTHEW HARTMAN.	)))	**RULING** **# 6113**

FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Matthew Hartman in the Office of the State Engineer on April 6, 2011.[1]

The applicant was notified on April 8, 2011, by certified mail to appear before the Statewide Well Drillers' Advisory Board on May 4, 2011, at 8:00 a.m. in Carson City, Nevada. Matthew Hartman completed Part I of the written examination with a score of 82 and passed Part II of the exam, which requires the locating a well on a topographic map. The Statewide Well Driller's Advisory Board after consultation with Nevada Division of Water Resources personnel, did not conduct the oral interview and recommended denial of the application of Matthew Hartman on May 4, 2011, due to Matthew Hartman not possessing the required two (2) years experience as a well driller as required by NAC 534.282 1(e) .[2]

RULING

The State Engineer concurs with the recommendation of the Board and the application of Matthew Hartman is herewith denied on the grounds that the applicant does not have the required two (2) years experience as a well driller as required by NAC 534.282 1(e).

Respectfully submitted,

Jason King, P.E.
State Engineer
