STATE OF CALIFORNIA }S.S.
COUNTY OF LOS ANGELES}

I, Tracy I. Phelps, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 17th day of August, 1974; that it truly and correctly represents the location of an existing well used to divert water from an underground source, in Nye County, by R.L. Carpenter for irrigation purposes. That the point of diversion, and the boundary of all lands, showing by 40-acre subdivisions the areas irrigated, are correctly designated thereon.
