I, Richard W. Forman, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 28th day of December, 1974, and the 7th day of January, 1975; that it truly and correctly represents the proposed location and extent of the works used to divert water from Underground Sources in Eureka County by Mt. Hope Mines, Inc. for Mining, Milling and Domestic purposes. That the proposed point of diversion and return, the location of the mine and mill, the approximate size and capacity of the diverting conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.

Richard W. Forman
State Water Right Surveyor
