I, Tracy I Phelps, being first duly sworn, depose and say that this map, consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me on the 27th day of May, 1976; that it truly and correctly represents the location and extent of the works used to divert water from two underground sources, in Nye County, by Circle 8 Ranch for irrigation and domestic purposes. That the points of diversion, and boundaries of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated are fully and correctly designated thereon.
