I, JOHN R. WEBER, being first duly sworn, depose and say that this map, consisting of one sheet, numbered from 1 to 1, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me, (or under my supervision and direction), between the 21st day of December, and the 22nd day of DECEMBER, 1976; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground in CHURCHILL County, by GEORGE D.
