State of Nevada
County of Humboldt

Robert [illegible] being first duly sworn depose and say that this map consists of [illegible] sheets has been correctly drawn from the [illegible] survey made by me on the 1st day March 1977 [illegible] and correctly represents the proposed [illegible] and extent of the works used to divert water from underground [illegible] Humboldt [illegible] by Alfred L. & Marilyn E. Woodard [illegible] for irrigation [illegible] purposes. That the proposed point of diversion, the approximate location and size of the diverting channel [illegible] reservoir or basins, the location and names of all other works which will cross or connect with the proposed works and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

State Water Right Surveyor No. 265

Subscribed and sworn to before me this 2nd day of March [illegible]

Scale 1" = 300'
