I, William J. Johnstone, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 31st day of March, 1977, that it correctly represents the location and extent of the proposed works to divert water from an underground source in Washoe County for Irrigation and Domestic Use by Frances S. Savage, that the point of Diversion, the place and manner of use are fully designated hereon.
