STATE OF NEVADA
COUNTY OF PERSHING SS:

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 18th day of July, 1977; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Pershing County by PATRICIA BAILEY for IRRIGATION and DOMESTIC purposes. That the proposed point of diversion, the appoximate location and size of the diverting channel, the location and names of all other works which cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.
