I, J.N. Littlefield, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 12th day of April 1977; that it truly and correctly represents the location and extent of the works used to divert water from an underground source in Elko County by J.N. Littlefield for Quasi-Municipal purposes. That the point of diversion, the location and size of the diverting conduit, the place and manner of use and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.

J.N. Littlefield
State Water Right Surveyor
