APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use of the waters of Lake Tahoe heretofore granted under Permit 25083, Certificate 8757 is issued subject to the terms and conditions imposed in said Permit 25083, Certificate 8757 and with the understanding that no other rights at the source shall be affected by the change proposed herein. A totalizing meter must be installed in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to a beneficial use. This permit is subject to the final allocation of the State of Nevada under the California-Nevada-Interstate Compact Commission. The State retains the right to regulate the use of the water herein granted at any and all times.

- This permit is also issued subject to the following terms and conditions:
1. Application to Change 35903 is issued to clarify and correct the place of use as described under Permit 25083, Certificate 8757.
  2. The total duty of water shall under no circumstances exceed 127.1 million gallons annually.
  3. A permit is granted under Application 35903 because in our opinion it is in the best public interest. However, there is no intent on the part of the State Engineer to establish any precedent or policy as to the granting of permits in this area in the future which include any attempt at establishment of a water right by virtue of actual use of the water for the purpose of expanding an existing water right beyond the quantities initially granted.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 4.45 cubic feet per second, but not to exceed 127.1 million gallons annually.

Actual construction work shall begin on or before June 27, 1979  
 Proof of commencement of work shall be filed before July 27, 1979  
 Work must be prosecuted with reasonable diligence and be completed on or before June 27, 1980  
 Proof of completion of work shall be filed before July 27, 1980  
 Application of water to beneficial use shall be made on or before June 27, 1983  
 Proof of the application of water to beneficial use shall be filed on or before July 27, 1983  
 Map in support of proof of beneficial use shall be filed on or before July 27, 1983
