

STATE OF NEVADA SS
COUNTY OF CARSON CITY

I, Robert C. Downer, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on June 11, 1978; that it truly and correctly represents the location and extent of the proposed works used to divert water from a spring in Douglas County, Nevada, by Donald E. and Susan L. Bently for stock watering purposes, that the point of diversion and the boundary of all land contained in the area where the stock watering use of the spring water is proposed are fully and correctly designated hereon.
