I, Jerry E. Barnson, being first duly sworn, depose and say that this map consisting of 1 sheets, numbered from 1 to 1, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me, (or under my supervision and direction), between the 24th day of June and the 27th day of June, 1978; that it truly and accurately represents the proposed location and extent of the works used to divert water from the Las Vegas Artesian Basin in Clark County, by David Colmelat, and Richard E. Dover for Quasi-Municipal Domestic Use. That the proposed point of diversion and the boundary of all lands are fully and correctly designated thereon.
