..... APPROVAL ..... OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit to change the manner of use and place of use of the water of Ash Canyon Creek (aka Gregory's Canyon Creek) as heretofore granted under Kings Canyon Civil Decree dated November 14, 1885, is issued subject to the terms and conditions imposed in said Kings Canyon Civil Decree dated November 14, 1885, and with the understanding that no other rights on the source will be affected by the change proposed herein.

This permit is further issued subject to the following conditions:

1. The permit is issued subject to all existing rights on the source with the understanding that the diversion will be regulated according to the Goni period of use under the present accepted rotation schedule on the stream system and further that the diversion will be subject to any changes in that rotation schedule.
2. That the works of diversion will not impede or restrict the flow of the channel in any manner.
3. That totalizing meters be installed on the diversion works with annual reports submitted to the Division of Water Resources on actual amounts of diversion.
4. That the total amount of water diverted shall not exceed 48.4 acre-feet annually.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 48.4 acre-feet annually..... ~~cubic feet per second~~

Actual construction work shall begin on or before..... August 6, 1979

Proof of commencement of work shall be filed before..... September 6, 1979

Work must be prosecuted with reasonable diligence and be completed on or before..... August 6, 1980

Proof of completion of work shall be filed before..... September 6, 1980

Application of water to beneficial use shall be made on or before..... August 6, 1983

Proof of the application of water to beneficial use shall be filed on or before..... September 6, 1983

Map in support of proof of beneficial use shall be filed on or before.....
