#### APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion, place and manner of use of a portion of the waters of Sheehan Springs Nos. 1, 2 and 3 as heretofore granted under Permit 10737, Certificate 2955, is issued subject to the terms and conditions imposed in said Permit 10737, Certificate 2955 and with the understanding that no other rights on the source will be affected by the change proposed herein. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the period of use and the average number of livestock served from the waters of this source.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The total combined duty of water under Claim of Vested Right V01126 and Permits 36119 and 36120 shall not exceed 36.20 acre-feet annually.

This permit is subject to the condition that the permittee must ensure that wildlife which has customarily used such water will have access thereto, NRS 533.367.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

This permit is issued subject to any decree resulting from the adjudication of the source.

(Continued on Page 2)

The point of diversion and place of use are as described on the submitted application to support this permit.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, **and not to exceed 0.0026 cubic feet per second or sufficient to water 85 head of cattle, but not to exceed 1.88 acre-feet annually.**

Work must be prosecuted with reasonable diligence and proof of completion of work shall be filed on or before:

December 29 2012

Water must be placed to beneficial use and proof of the application of water to beneficial use shall be filed on or before:

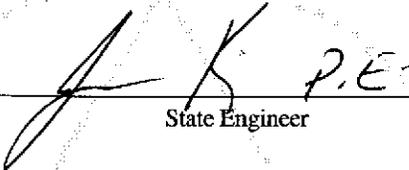

December 29 2014

Map in support of proof of beneficial use shall be filed on or before:
