I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 8th day of January, 1979, that it truly and correctly represents the point of diversion and original place of use under Application No. 17065 and the proposed place of use and extent of the works used to divert water from underground source in Lyon County, by Robert Drew Ogden for irrigation and domestic purposes. That the point of diversion, the approximate location and size of the diverting conduit, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40 acre subdivisions the area to be irrigated are, fully and correctly designated thereon.

Walter G. Reid
