DENIAL OF STATE ENGINEER

deny

This is to certify that I have examined the foregoing application, and do hereby ~~grant~~ deny the same, subject to the following limitations and conditions:

This application is hereby denied on the grounds that the land proposed to be irrigated is presently covered with water rights for the irrigation of said land under existing Permit 18999, Certificate 6734, and the granting of Application 36246 would constitute an additional diversion of water from this concentrated area which would adversely affect existing rights and be detrimental to the public welfare.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or before

Proof of completion of work shall be filed before
