DENIAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby ~~deny~~^{deny} the same, subject to the following limitations and conditions:

This application is hereby denied on the grounds that the land proposed to be irrigated is presently covered with water rights for the irrigation of said land under existing Permit 21841, Certificate 6736, and the granting of Application 36383 would constitute an additional diversion of water from this concentrated area which would adversely affect existing rights and be detrimental to the public welfare.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed.....cubic feet per second.....

Actual construction work shall begin on or before.....

Proof of commencement of work shall be filed before.....

Work must be prosecuted with reasonable diligence and be completed on or before.....
