Manner of Use: STOCKWATERING
Period of Use: January 1st to December 31st
Priority Date: 04/18/1979

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the period of use and the average number of livestock served from the waters of this source.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

This permit is subject to the condition that the permittee must ensure that wildlife which has customarily used such water will have access thereto, NRS 533.367.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

This permit is issued with the express understanding and on the condition that existing grazing use of the public range by authorized users or permittees will not be impaired or adversely affected by approval and issuance of this permit.

The total combined diversion rate of water under Permit 37946 and Proof V09424 shall not exceed 0.0312 cubic feet per second or sufficient to water 1,000 head of cattle.

The point of diversion and place of use is as described under items 5 & 7 respectively on the submitted application to support this permit.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0312 cubic feet per second, or sufficient to water 1,000 head of cattle.

Work must be prosecuted with reasonable diligence and proof of completion of work shall be filed on or before:

May 31, 2008

Water must be placed to beneficial use and proof of the application of water to beneficial use shall be filed on or before:

May 31, 2010

Map in support of proof of beneficial use shall be filed on or before:
