I, William A. Nisbet, being first duly sworn, denose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from a survey using U.S.G.S. quad maps and G.L.O. Survey Plats, made under my supervision and direction, on the 6 day of MAY, 1982; that it truly and correctly represents the proposed location and extent of the works used to divert water from SPRINGS & CREEKS & WELLS in ELKO COUNTY by FLYING "S" LAND & CATTLE CO. for STOCKWATER & DOMESTIC PURPOSES. That the proposed points of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be served, are fully and correctly designated hereon.
