DENIAL OF STATE ENGINEER deny

This is to certify that I have examined the foregoing application, and do hereby ~~grant~~ deny the same, subject to the following limitations and conditions:

This application is hereby denied on the grounds that it is an application to appropriate the underground waters of Quinn River Valley, Orovada Subarea, for irrigation of new lands in a basin where previous applications have been rejected for irrigation and further on the grounds that it would tend to impair the value of existing rights and would be detrimental to the public interest and welfare.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed..... cubic feet per second.....

Actual construction work shall begin on or before.....

Proof of commencement of work shall be filed before.....

Work must be prosecuted with reasonable diligence and be completed on or before.....

Proof of completion of work shall be filed before.....

Application of water to beneficial use shall be made on or before.....

Proof of the application of water to beneficial use shall be filed on or before.....

Map in support of proof of beneficial use shall be filed on or before.....
