STATE OF NEVADA
COUNTY OF NEVADA } ss

I, Richard W. Arden, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, or under my supervision and direction, between the 4th day of September, and the 20th day of September, 1985; that it truly and correctly represents the proposed extent and location of the place of use and point of diversion of water heretofore appropriated under application number 35966 from an underground source in Washoe County by Sun River Mining Company for mining, milling and domestic purposes.

That the proposed point of diversion, proposed place of use, existing place of use, the location and names of all other works, and the boundary of all lands, showing by 40 acre subdivisions the areas proposed to be served are fully and correctly designated hereon.
