I, C.A. Riddell, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale, from field notes of a survey made by me on the 7th day of November 1934; that it truly and correctly represents the location & extent of the works used to divert water from Upper Belhellen Creek in Nye County by Gustaf R. Peterson for irrigation purposes under application No. 5845. That the point of diversion, the location size and grades of the diverting channel, location and description of all measuring devices, the location & extent of the lands owned by the applicant upon which water applied for under application No. 5845 is used, together with the area and kind of culture in each 40 acre subdivision, and the location & names of all other works or streams which are crossed by or connected with said works are fully & correctly designated thereon.
