I, Robert W. Millard, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from Truckee - Carson Irrigation District Records; that it truly and correctly represents the existing place of use and proposed place of use of water from the Truckee River in Lyon County by R. Curry for Irrigation Purposes. The point of diversion, Derby Dam is unchanged and the boundary of all lands shown by 40 acre subdivisions for the areas proposed to be irrigated are fully and correctly designated thereon.
