
CERTIFICATE

STATE OF NEVADA }
COUNTY OF CLARK } SS

I, James J. Owens, being first duly sworn, depose and say that this map, consisting of 2 sheets, numbered from 1 to 2, inclusive, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction, on the 27th day of February, 1991; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground well in Clark County by Mesquite Farmstead Water Association for Municipal and Domestic purposes. that the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40 acre subdivisions the areas proposed to be benefitted, are fully and correctly designated thereon.
