COUNTY OF LINCOLN ss

I, Phylip John Leslie, being first duly sworn, depose and say that this map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me on November 19th, 1991; that it truly and correctly represents the proposed location and works used to divert water from an underground source in Lincoln County, Nevada, by Pioche Public Utilities, Town of Pioche, County of Lincoln for a municipality. Place of use being 40 acre subdivisions shown within heavy dashed lines — — — — the water to be used for municipal purposes. Existing place of use shown with —·—·— the water was for irrigation and domestic.
