
STATE OF NEVADA
SS
COUNTY OF WASHOE

I, Harry R. Ericson, being first duly sworn, depose and say that site inspections have been made by me or under my supervision and direction between the 24th day of November, 1993 and the 31st day of January, 1995; that the location of each reference monument has been verified by site inspection; that the place of use sites have been inspected; that this map, consisting of one sheet, has been correctly drawn to the designated scale relying upon analysis of recorded survey maps and other recorded surveying documents in the office of the United States Geological Survey; that this map truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Churchill County under Permit No. 50381 & 51475 by Soda Lake Resources Partnership for industrial and domestic purposes; that the place of use and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.
