APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion of the waters of an underground source as heretofore granted under Permit 39458 is issued subject to the terms and conditions imposed in said Permit 39458 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a measuring device must be installed in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. If the well is flowing, a valve must be installed and maintained to prevent waste. This source is located within an area designated by the State Engineer pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times.

This Permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The total diversion rate under Permits 42168, 42169 and 42170 shall not exceed 6.06 c.f.s.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.34 cubic feet per second, but not to exceed a yearly duty of 5.0 acre-feet per acre of land irrigated from any and/or all sources.

Work must be prosecuted with reasonable diligence and be completed on or before October 25, 1988

Proof of completion of work shall be filed before November 25, 1988

Application of water to beneficial use shall be made on or before October 25, 1989

Proof of the application of water to beneficial use shall be filed on or before November 25, 1989

Map in support of proof of beneficial use shall be filed on or before November 25, 1989

Completion of work filed SEP 26 1990

Proof of beneficial use filed FEB 13 1992

Cultural map filed FEB 13 1992

IN TESTIMONY WHEREOF, I, PETER G. MORROS, State Engineer of Nevada, have hereunto set my hand and the seal of my office, this 25th day of May

Certificate No. 13665 Issued JUL 16 1993

Peter G. Morros  
State Engineer
