STATE OF NEVADA)
: ss.
COUNTY OF ELKO)

I, MARK C. BOGE, being first duly sworn, depose and say that site inspections have been made by me, or under my supervision and direction, between the 15th day of July, 1996 and the 22nd day of July, 1996; that the location of each reference monument has been verified by site inspection; that the point of diversion and place of use sites have been inspected; that this map, consisting of two sheets, numbered from 1 to 2, inclusive, has been correctly drawn to the designated scale from field surveys and surveying calculation notes prepared by me, or under my supervision and direction, relying on field survey notes and analysis of recorded survey maps and other recorded surveying documents in the office of the Division of Water Resources and the U.S.D.O.I. Bureau of Land Management; that this map truly and correctly represents the proposed location and extent of the works used to divert water from underground sources, in Lander County, Nevada, by PLACER DOME U. S. INC. for mining and milling purposes. That the proposed points of diversion and return, the location of exploration activity, the approximate location and size of the diverting channel or other condult, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.
