
STATE OF NEVADA
COUNTY OF HUMBOLDT

I, JOHN H. MILTON III, being first duly sworn, depose and say that this map, consisting of two sheets, numbered from 1 to 2, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me, or under my supervision and direction, between the 2nd day of August, and the 3rd day of August, 1999; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground in Humboldt County, Nevada by JAMES R. BUELL, V.M.D., for irrigation purposes under Permit Number 25800.
That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of lands, showing by 40-acre subdivisions the areas proposed to be served, are fully and correctly designated thereon.
