STATE OF NEVADA
COUNTY OF WASHOE } *SS*

I, Michael D. Buschelman, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from surveying calculation notes prepared by me, or under my supervision and direction, relying upon analysis of recorded survey maps in the office of the County Recorder of Lyon County and the office of the State Engineer; that this map truly and correctly represents the proposed place of use and proposed/existing point of diversion used to divert water from an underground source in Lyon County, Nevada, by GRANITE CONSTRUCTION COMPANY for industrial and domestic purposes; that the point of diversion, the place and manner of use, and the location and names of all streams which are crossed by, or connected with the said works, are designated thereon.
