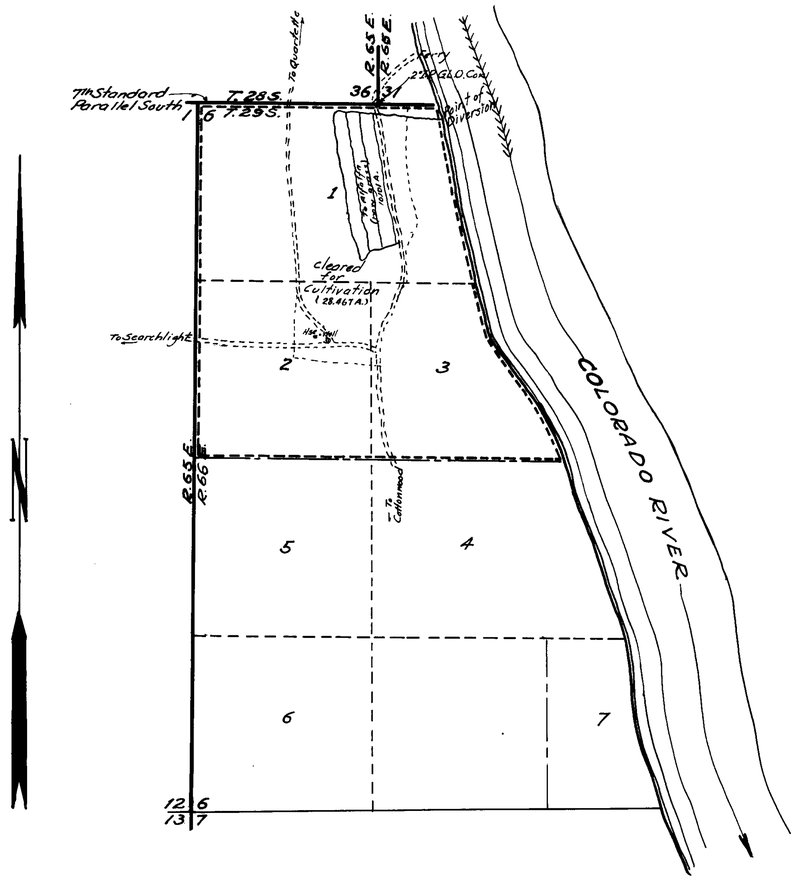
SEC. 6, T. 29 S., R. 66 E., M.D.B. & M.



N.B. This land has been successfully irrigated by applicant by pumping thru 2.5 to 8 ft. lift (depending on river stage), at point of diversion shown. At time of survey equipment was buried under several feet of silt, and this survey is a reconstruction of system when in operation.

C.D. Baker.

STATE OF NEVADA } SS.
County of Clark

I, C.D. BAKER, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me on the 18th day of September, 1927; that it truly and correctly represents the proposed location and extent of the works used to divert water from the COLORADO RIVER, in Clark County, by Rimmer J. Oppedyk, for irrigation purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by forty-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

C.D. Baker,
STATE WATER RIGHT SURVEYOR.

Subscribed and sworn to before me this 20th day of September, 1927.

J. Nonnow
NOTARY PUBLIC IN AND FOR CLARK COUNTY, NEVADA.

Commission expires Oct. 13, 1930.
