I, George G. Lindesmith, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on September 21, 2007; that it truly and correctly represents the proposed location and extent of the works used to divert Water under Permit 66887 from an underground source in Lyon County, Nevada, by MIKE BOBRICK for irrigation and Domestic purposes. That the proposed point of diversion, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be served, are fully and correctly designated hereon.
