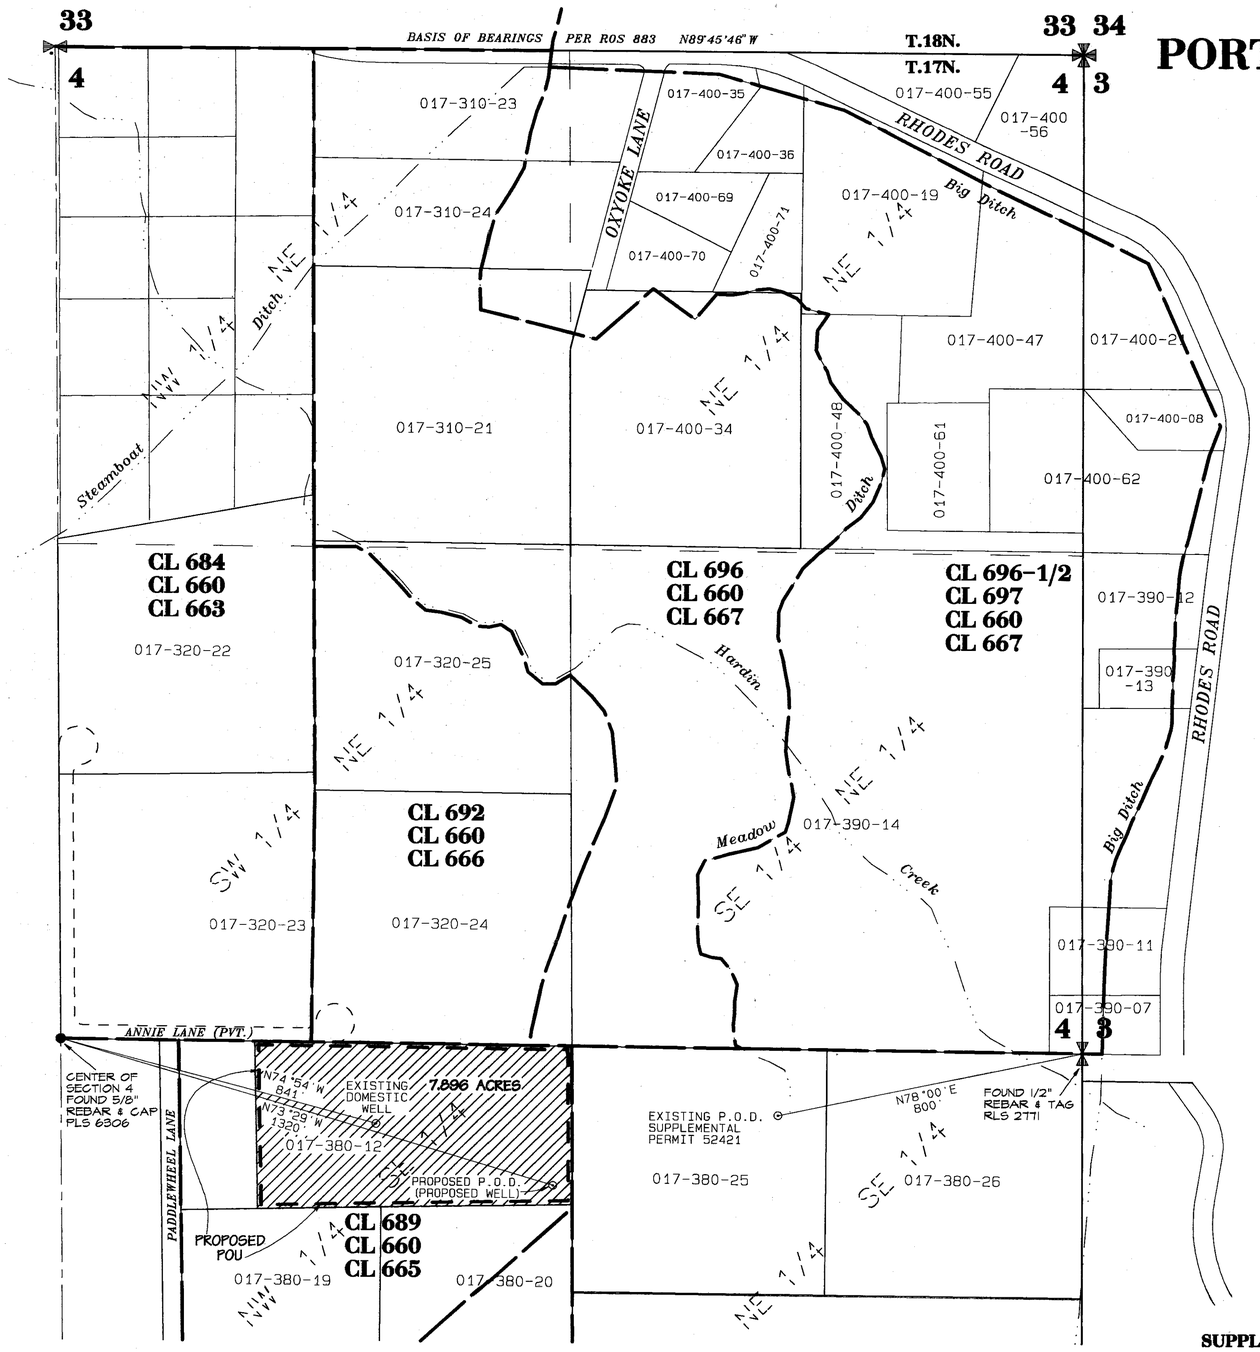
WASHOE COUNTY, NEVADA



STATE OF NEVADA
COUNTY OF WASHOE } SS

I, George G. Lindesmith, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on September 18, 2007; that it truly and correctly represents the proposed location and extent of works used to divert water from an underground source in Washoe County, Nevada, by WARD W. CHILTON for irrigation and domestic purposes under supplemental Permit No. 52421. That the proposed point of diversion, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be served, are fully and correctly designated thereon.
