I, R.A. Kinne, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from the field notes of a survey made by me between the 8th day of May and the 10th day of May, 1928; that it truly and correctly represents the location and extent of the proposed works used to divert water from McKnight Springs in Elko County by Giconie Smiraldo for stockwatering purposes. That the proposed points of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.
