
STATE OF NEVADA
COUNTY OF WHITE PINE } S.S.

I, C.R. Townsend, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 20th day of August, 1929; that it truly represents the location and extent of the proposed works used to divert water from Thomas Spring in Eureka County by E.C. Johnson for stockwatering purposes; that the proposed point of diversion, the approximate location and size of the diversion channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.

C.R. Townsend
STATE WATER RIGHT SURVEYOR

Subscribed and sworn to before me this 10th day of March, 1930.
