BASIS OF BEARING

North American Datum of 1983/94 (NAD 83/94), Nevada State Plane West Zone. As determined with Real Time Kinematic (RTK) GPS observations, observed on October 5, 2009, using Trimble 5800 Receiver with Trimble VRS corrections from the Continuously Operating Reference Station (CORS) network base stations located in Washoe County. Observations were modified by a combination factor of 1.000197939 and converted to the U.S. Survey Foot. All dimensions are ground distances.

STATE OF NEVADA
COUNTY OF WASHOE } SS

I, Erik K. Lee, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 1st day of October, 2009 and the 15th day of April, 2010, record information on file in the Washoe County Recorder's Office, and maps prepared by the Washoe County Assessor; that it truly and correctly represents the proposed location and extent of the works used to divert water from the Truckee River, in Washoe County, Nevada, by Brian and Tracy Cason for as decreed purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be served, are fully and correctly designated thereon.
