
Note: Proposed work consists of a 6 foot concrete dam at point of diversion and 1500 feet of 2 inch pipe to places of use.

STATE OF NEVADA }
COUNTY OF CLARK } ss.

I, E. W. Banister, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from the field notes of a survey made under my supervision on the 12th day of June, 1930, that it truly and correctly represents the proposed location and extent of the works used to divert water from LA MADRE SPRING in the Spring Mountain Range, Clark County, Nevada by Nelson E. Noon, for irrigation and domestic use, that the proposed point of diversion, approximate location and size of diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with proposed works and the boundary of all lands, showing by forty acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

Earl W. Banister
STATE WATER RIGHT SURVEYOR

Subscribed and sworn to before me this 14th day of June, 1930

Miss F. Whitehead
