I, Bruce L. Rice, being first duly sworn, depose and say that this map, consisting of 1 sheet, numbered 1 of 1, inclusive, has been correctly drawn to the designated scale from a Global Positioning System (GPS) survey made by me, or under my supervision and direction, on August 24, 1999; that it truly and correctly represents the proposed location and extent of the works used to divert water from an Lone Willow Spring in Humboldt County, Nevada, by the United States Department of Interior, Bureau of Land Management, for stockwatering and wildlife purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, all reserviors or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be served, are fully and and correctly designated thereon.

Subscribed and sworn to before me
this 13 day of September, 1999.
