I, E.W. Banister, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 23th day of August, 1929; that it truly and correctly represents the existing locations and extent of the works used to divert water from Ash Creek Spring, certificate No. 64; Little Creek Spring, certificate No. 67; Calico Creek Spring, certificate No. 68; and Red Rock Spring certificate No. 65, in Clark County, Nevada by Willard H. George, for stockwatering purposes. That the existing points of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or are connected with the said works, are fully and correctly designated thereon.

E.W. Banister
