I, H. H. Sheldon, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale, from field notes of a survey made by me on the 25th day of October, 1931; that it truly and correctly represents the location and extent of the works used to divert water from South Lake, in Washoe County, by Thousand Creek L. and L.S. Co. for stock watering purposes; that the point of diversion, the location and size of the diverting conduit, the place and manner of use and the location and names of all other works or streams which are crossed by or connected with the said works, are fully and correctly designated thereon.

H. H. Sheldon
State Water Right Surveyor.

Subscribed and sworn to before me this 8th day of December, 1931
