APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use of the waters of Johnson Springs and Creek as heretofore granted under Permit 29409, is issued subject to the terms and conditions imposed in said Permit 29409 and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and measuring device must be installed and maintained to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.0 cubic feet per second, but not to exceed 723.97 acre-feet annually.

Work must be prosecuted with reasonable diligence and be completed on or before August 24, 1984

Proof of completion of work shall be filed before September 24, 1984

Application of water to beneficial use shall be made on or before August 24, 1984

Proof of the application of water to beneficial use shall be filed on or before September 24, 1984

Map in support of proof of beneficial use shall be filed on or before September 24, 1984

Completion of work filed SEP 24 1984

Proof of beneficial use filed _____
